****1. ABOUT THIS USER AGREEMENT****

1. About Us. We are Remitly Corretora de Câmbio Ltda, registered at CNPJ under number 17.635.177/0001-67, with headquarters at Avenida Paulista nº 1347, 12º andar, espaço 12ª124, Bela Vista, CEP 01310-916, also referred to as "**Remitly**", "**we**", "**us**", and "**our**" in this Agreement, together with its employees, directors, affiliates, successors, and assignees. Remitly is a foreign exchange broker duly authorized by the Brazilian Central Bank to carry out foreign exchange transactions in the Brazilian foreign exchange market.

2. About You. When we say "**you**" and "**your**" in this Agreement, that means you as the Remitly Account holder and user of the Service.

3. Your Remitly Account. A **Remitly Account** is an account provided by Remitly that allows people who reside in Brazil to send money transfers to people in other countries and regions. For avoidance of doubt, the Remitly Account is not a stored value account or other "balance" type account. You cannot hold funds in a Remitly Account.

4. You accept and agree to the terms of this Agreement (including all Policies) when you:

- accept the electronic version of this Agreement when the option is presented to you, such as when you register for the Remitly Service via our website or Mobile App; or
- start using or attempt to use our Service, including if you access,

download and/or use any of the Service. In such circumstances, we will treat your use of our Service as your acceptance of this Agreement.

5. By accepting this Agreement, you consent and agree to comply with the following additional policies ("**Policies**"):

- [Electronic Communications Delivery Policy](https://www.remitly.com/us/en/home/esign)
- [Privacy Policy](https://www.remitly.com/us/en/home/policy)
- [Cookie Policy](https://www.remitly.com/gb/en/home/cookies).

6. Remitly reserves the right, at our sole discretion, to modify this Agreement or any of the Policies listed above, including changing, adding, or removing portions of this Agreement, at any time. We will provide you with a 30-day notice if our changes reduce your rights or increase your responsibilities under this Agreement. By continuing to use the Service after any changes to this Agreement become effective, you agree and accept the changes. You can review the most current version of the Agreement at any time on our website at [User Agreement](https://www.remitly.com/us/en/home/agreement). You agree that you shall not modify this Agreement and acknowledge that any attempts by you to modify this Agreement shall be void.

****2. THE SERVICE****

1. The Service allows registered users to send international money transfers from Brazil to Recipients in other countries served by Remitly. A list of the countries where Remitly can complete money transfers is available on our website and Mobile App. Remitly reserves the right to stop offering money transfers to any country at any time, on a temporary or permanent basis, without notice to you.

2. A "**Sender**" uses the Service to send money, and a "**Recipient**" receives money sent through the Service. A "**Transaction**" refers to an order from a Sender that instructs us to send money to a Recipient through the Service. The "**Transaction Amount**" is the amount in Brazilian Reais that the Sender provides to Remitly for transmittal to the Recipient. The "**Payout Amount**" is the amount paid out to the Recipient.

3. **The Service should only be used to send money to people that you know and trust, such as family and friends. Do not use the Service to send money to people you do not know, are not familiar with, or do not trust.**

Always be on the lookout for fraud. We urge you to think carefully before sending money to anyone that you do not know well. You should be cautious of deals or offers that seem too good to be true. Please contact us immediately by telephone at **[-\]** if you think you have been or might be a victim of fraud.

If you are aware of anyone or any entity that is using the Service inappropriately, please email us at abuse@remitle.com. If you receive any fake (phishing) emails, purporting to be from Remitle, please forward them to us at abuse@remitle.com.

To create a Remitle Account, you are responsible for and you must:

a\ Provide us with complete, accurate, and truthful information as requested by us. The information you provide will also be used by us to determine if you are eligible to use our Service;

b\ Create security credentials, such as a password or personal identification number, that Remitle deems necessary ("**Security Credentials**")

c\ When appropriate for making a payment through the Service, you must also provide us with information about your payment instruments such as your bank account, PIX Key, debit or credit card, (each individually and collectively "**Payment Instruments**"). When you provide us information about your Payment Instrument for the purpose of using the Service, you consent to Remitle storing that information on file for use for funds transfers. In addition, you represent and warrant that:

i\ the Payment Instrument is valid, has not expired, and is otherwise in good standing;

ii\ you are the owner of the chosen Payment Instrument, and its authorized and lawful user; and

iii\ each Transaction that you request through the Service complies with this Agreement and applicable laws, regulations, and rules; and

d\ you will carry out any other action which we, or our third-party Service

Providers, may reasonably require from you in order to access and use the Service.

2. Security of Your Remitly Account. You are solely responsible for safeguarding your Security Credentials. You will immediately notify us of any unauthorized use of your password or Remitly Account or any other security breach by contacting us through our [Help Center](<https://www.remitly.com/us/en/help/contact>).

3. You must use our service for yourself only. You must not create a Remitly Account, nor submit a Transaction on behalf of any other person. Our Service under this Agreement is only made available to consumers, meaning for use by individuals for personal, family, or household purposes. By using our Service under the terms of this Agreement for any other purpose, including for business purposes, you are in breach of this Agreement. We reserve the right to terminate your Remitly Account, suspend or stop providing our Service to you, or otherwise stop your use of our Service at any time without liability to you.

****4. ELIGIBILITY REQUIREMENTS TO USE OUR SERVICE****

1. Age and Capacity. You must be at least eighteen (18) years old to create a Remitly Account or use the Service as a Sender. By opening a Remitly Account, you declare that you are 18 years or older. You must be able to form legally binding contracts under applicable law. Other restrictions may apply.

2. Residence within Brazil. The Service is available to residents of Brazil only. If you are living outside Brazil for a prolonged period, we may suspend your access to the Service.

3. Offer and Acceptance. If you submit a Transaction, you are requesting that we process your Transaction, an offer that we may accept or reject at our sole discretion.

4. Multiple Accounts. You may have only one active Remitly Account. If we determine that you are using multiple Remitly Accounts, we reserve the right to merge or terminate one or more of the Remitly Accounts, limit your use of the Service, or suspend your use of the Remitly Account.

****5. VERIFYING YOUR IDENTITY****

1. General. As required by state and federal law, and to keep our system safe, we are required to verify your identity and keep certain information that you provide to us, consistent with our [Privacy Policy](<https://www.remitly.com/us/en/home/policy>).

2. Customer Identification Requirements. To comply with obligations of applicable laws, including anti-money laundering and counter-terrorism financing laws, we may be required to obtain, verify, and record identifying information about you. To comply with our legal and regulatory obligations, we may require that you provide us with nonpublic, personal, identifying information. We may also lawfully obtain

information about you from other sources.

3. Authorization. You authorize us to make any inquiries, to you or to others, that we determine are reasonably necessary to validate the information that you provide to us. We reserve the right to request additional information from you to verify your identity against third-party databases or through other sources, and to require you to take steps to confirm ownership of your email address or Payment Instrument. You authorize us to retain copies of your information and documents (including those related to the foreign exchange transactions you conduct) for the purpose of complying with applicable regulatory obligations, and for the duration required by the relevant laws and regulations. Such retention will be limited to what is necessary and proportionate to ensure regulatory compliance.

****6. SENDING A TRANSACTION****

1. General. Using your Remitly Account, you can send money to a Recipient by providing us with information about you and a Recipient. You can send money to a Recipient, and a Recipient can receive funds sent by you, even if they do not have a Remitly Account or use the Service.

2. Processing Your Transactions. If you submit a Transaction, you are requesting that we process that Transaction. For you to initiate a Transaction through the Service and for us to process a Transaction on your behalf, you must provide us with information about a valid Payment Instrument that you want to use to fund your Transaction through your Remitly Account. If we are unable to process your Transaction using the Payment Instrument you select, we will notify you and request that you choose another Payment Instrument to complete your transaction. You agree that we may accept or reject your offer to process your Transaction under the terms of this Agreement. We are not under any obligation to carry out any Transaction that you request if, for example, you have breached any of your obligations set out in this Agreement.

3. Bank Account Payment Authorization. When you fund a Transaction and/or pay any Service Fees using your bank account as the Payment Instrument, you authorize the initiation of PIX debit or credit entries, as applicable, to that bank account in accordance with any payment instructions you provide, and the crediting of funds to your bank account for Transactions that are refunded, canceled, or otherwise returned.

4. Card Payment Authorization. When you fund a Transaction and/or pay any Service Fees using a credit or debit card, you authorize us, for the purpose of processing your Transaction, to debit or charge that Payment Instrument to fund the Transaction by the amount you specify, plus any Service Fees, and to send those funds to the designated Recipient immediately upon our receipt of the Transaction. You can withdraw your authorization for us to charge your debit or credit card by removing it from your Remitly Account. If your payment fails, you authorize us to re-try one or more times using the same debit or credit card, subject to limitations under applicable law.

5. Legal classification of the Foreign Exchange Transaction. You are

responsible for determining the legal classification of the foreign exchange transaction carried out to send funds abroad, in accordance with Law No. 14,286/2021 and any other applicable regulations. You shall assume full responsibility for such determination and acknowledge that Remitly reserves the right to refuse the Transaction.

6. Remitly's Liability. When you send a Transaction through our Service, it is your responsibility to make sure that all the Transaction details are complete, accurate, and correct (including, without limitation, the Recipient's information and the Recipient's banking or other account details) as we may not be able to let you change the details of your Transaction once it is submitted to us for processing.

To the extent allowed by law, you agree to be bound by all payment instructions or Transactions that are initiated through the Service from your Remitly Account. You must make sure that all payment instructions for your Transactions are correct and accurate.

You are solely responsible for entering the correct information for the Recipient to whom you are sending money and the legal classification of the foreign exchange transaction as defined in the regulation. Subject to applicable law, you are the sole responsible for any amounts that are transferred to the incorrect person because you entered incorrect information related to the Recipient for a Transaction.

Subject to limitations under applicable law, Remitly shall not be liable for a failure to complete Transactions in the following circumstances:

- your payment instructions contain inaccurate instructions, mistakes, or insufficient information; or
- your chosen Payment Instrument does not have sufficient funds to pay for a Transaction you initiate through the Service.

****7. PAYING FOR THE SERVICE****

1. Our Service Fee. In consideration for providing you with our Service, you agree to pay us a service fee (a "**Service Fee**") for each Transaction you submit, in addition to the Transaction Amount. Details on the discrete Service Fee amount related to a specific Transaction will be made available to you in our Mobile App or website before you give us your consent to execute your Transaction. Payment in Brazilian Reais is due and payable by you to us at the time the Transaction is submitted for processing. Service Fees may vary based on Recipient's country and other factors and are subject to change.

2. Other Charges. We are not responsible for fees that may be imposed by

financial institutions associated with your Payment Instruments. For example, some credit card issuers may treat the use of your credit card to use the Service as a "**cash advance**" and may impose additional fees and interest costs for the transaction. Remitly is not responsible for any non-sufficient funds fees ("**NSF Fees**"), chargeback fees, or other, similar charges that might be imposed on you by your bank, credit card issuer, or other provider. If you submit a Transaction that results in Remitly being charged a fee or another amount because of your Payment Instrument not being used in an authorized manner, or with insufficient funds or credit, we will notify you of the fee we were charged, and you agree to pay us the equivalent amount.

3. Foreign Currency Exchange. We and our Service Providers (defined below) may make money when you pay for a Transaction in one currency and the Transaction is paid out in another currency because of the difference between the exchange rate at which we buy foreign currency and the exchange rate provided to you at the time of your Transaction. Exchange rates may vary based on the Recipient country and other factors and are subject to change. If a foreign currency exchange rate applies to a Transaction that you request, it will be disclosed to you before you authorize the Transaction.

4. Third-Party Fees and Charges. When you use our Service, other third parties may level fees, costs, or other liabilities against you. These third-parties may include your bank, card issuer, phone provider, or internet service provider. For example, your phone and/or internet service provider may charge you fees relating to data or messaging services. You (and not Remitly) are responsible for any fees, charges, costs, and/or expenses charged by such third parties in connection with your use of our Service. Please check your agreements with these third-party providers for details on any of these additional costs.

****8. RECEIVING A REMITTANCE****

1. Service Providers. We work with local banks and other third-party outlets (each, a "**Service Provider**") to make funds available to Recipients. We try to provide current information on our website about the location, availability, and hours of our Service Providers. Please note that these may be subject to change without our knowledge, and we are not responsible for any inaccurate or incomplete information that may be posted on the website.

2. Verification of Recipients. Recipients may be required to provide information, such as a valid identification, to verify their identities to our Service Providers before receiving funds. Recipients may also be required to provide a reference number or another similar identifier associated with the applicable Transactions.

3. Expired Transactions. We will cancel Transactions where funds are made available to Recipients by way of cash pick-up if the funds are not validly collected within 60 calendar days of when they were first made available (or such other timeframe imposed by a Service Provider or local regulation from time to time). To the extent possible for these expired transactions, we will refund the full Transaction Amount, taxes, and any Service Fees that you paid as part of the Transaction.

****9. IMPORTANT SERVICE RESTRICTIONS****

1. Our Right to Limit Your Use of Our Service. In addition to the limitations described elsewhere in this Agreement, we may refuse to process any Transaction in our sole discretion where we have a reasonable belief or a reasonable basis to believe that it relates to fraud or criminal activities, it is necessary to protect you and/or us or when it is otherwise required so that we may comply with legal or regulatory requirements. You agree that we may also limit the amount to be transferred, either on a per transaction or aggregated basis. These limits may be imposed on individual Remitly Accounts or specific Payment Instruments in your Remitly Account. We also reserve the right at any time to modify or discontinue all or any part of the Service.

2. Delays. We have the sole discretion to delay your Transaction, in accordance with applicable law, to verify your identity, validate your Payment Instrument, manage our financial risk, or if we believe that the Transaction may involve fraud or that a crime or violation of law, rule, or regulation has occurred, is occurring, or may occur. Depending on the reason for a delay or a failure to make the funds available to the Recipient, you may be entitled to a refund or other remedies in certain circumstances.

3. Transfer Speed. Any transfer speed information or estimates for any of your Transactions that we provide to you on our website or in our Mobile App are estimates of the delivery date and time based on payment method, delivery method, transaction review, and system availability of Remitly, our partners and Service Providers. In addition to any transfer speed information and estimates we provide during the send process, before you submit a Transaction, and in your Transaction receipt, we will provide you with an exact date and time when you can expect your money to be delivered to your Recipient.

4. Commercial Transactions. We are not responsible for the quality or delivery of goods or services for which you pay a Recipient by using the Service. You accept that using the Service to transfer funds for payments for goods and services is at your own risk.

5. Ineligibility. To comply with applicable laws and regulations, we may refuse Transactions from certain Senders and to certain Recipients that are included on the Specially Designated Nationals and Blocked Persons list, Non-Cooperative Countries and Territories list, and such other lists as issued by different government agencies and/or international or intergovernmental organizations with such competency.

6. No Changes. Unless otherwise specified in this agreement, we generally do not let you change the details of your Transaction once it is submitted to us for processing. It is your responsibility to make sure your Transaction details are accurate. Pursuant to Section 6.6 and other Sections of this Agreement, you, and not Remitly, shall be responsible for any incorrect information or mistakes that you make when entering information about the Recipient for a Transaction.

7. Prohibited Activities. In connection with your use of our website or the Service, or in the course of your interactions with Remitly, we consider the following as

- use any robot, spider, scraper, automatic device, or manual process to monitor or copy our website or app or otherwise display, use, copy, or modify the Remitly Intellectual Property in any manner.

8. Remitly, in its sole discretion, reserves the right to take the following actions if you engage in any Prohibited Activity, or if we believe that you may have engaged in a Prohibited Activity:

- delay, reverse, cancel, decline, or refuse to process the Transaction and/or amend the Transaction information (or take such similar action via other payment Service Providers);

You understand that use of the Service under this Agreement for commercial purposes or contributions to charitable organizations is prohibited. Completion of your Transaction means that your recipient has picked up the funds you sent for cash pick-up or the funds have been deposited into the Recipient's bank account at the time of your cancellation request. Upon receipt of a cancellation request, we will confirm whether the transaction has been completed, which may include communicating with our Service Providers to determine whether the transaction has been completed prior to initiating a refund. Remitly's ability to stop or cancel a Transaction depends on the method you select to disburse the funds to your Recipient and the time when you submit your cancellation request.
