1. The first step is to create a new account. You can do this by clicking on the "Sign Up" button in the top right corner of the page. You will need to provide your email address and create a password.

• The second step is to verify your account. You will receive an email from Remitly with a link to click. This will confirm your email address and activate your account.

• The third step is to add a payment method. You can do this by clicking on the "Add Payment Method" button in the top right corner of the page. You will need to provide your card number, expiration date, and billing address.

• The fourth step is to make a transfer. You can do this by clicking on the "Send Money" button in the top right corner of the page. You will need to provide the recipient's name, phone number, and the amount you want to send.

The fifth step is to track your transfer. You can do this by clicking on the "Track Transfer" button in the top right corner of the page. You will be able to see the status of your transfer and when it is expected to arrive.

**\*\*** You can also use the Remitly mobile app to make transfers. You can download the app from the App Store or Google Play. The app allows you to send money directly from your phone.

You can also contact customer support if you have any questions. You can reach customer support by email at [privacy@remitly.com](mailto:privacy@remitly.com) or by phone at 1-800-REMITLY.
